Exhibit A Brown et al. v. Google LLC (20-cv-3664-LHK)

Dispute	Dispute	Court's Ruling Following 4/29/21 Hearing
No. P1 4/7/21	Selection of Google custodians: The parties have a dispute regarding which Google employees to include as document custodians.	Not at issue.
P2 4/7/21	Google's search terms: The parties have a dispute regarding which search terms Google should apply to identify potentially responsive documents.	See Order filed herewith.
P3 4/7/21	Google's production of Plaintiffs' data: The parties have a dispute regarding Plaintiffs' RFP No. 18: "Documents concerning Plaintiffs, including Plaintiffs' use of Google services, all data collected by Google from and regarding Plaintiffs, and Google's use of all data collected by Google from and regarding Plaintiffs."	See P6 below. Further, Parties are ordered to continue to meet and confer and to address in May 6, 2021 status report.
P4 4/7/21	Google server logs: The parties have a dispute regarding preservation and production of Google server logs regarding Google's collection and use of private browsing information.	See Order filed in related case, Calhoun, et al., v. Google (20-5146)
P5 4/7/21	Google's preservation of custodial ESI: The parties have a dispute regarding the extent to which the	Not at issue.

1 2 3		Court's ESI Order (Dkt. 91) requires Google to preserve custodial ESI back to June 1, 2008.	
4 5 6 7 8 9 10	P6 4/7/21	Class member identification: The parties have a dispute regarding Plaintiffs' RFP No. 10: "Documents sufficient to identify all alleged class members, including all electronic or physical address information associated with	For RFP Nos. 10 (class identification) and 18 (individuals' data), as an initial step, Google will produce identification data for the named Plaintiffs. Google will promptly supplement any production made to date with authenticated data identifiers as to both the individuals and their devices provided Plaintiffs have provided the necessary device information, as well as unauthenticated data. Following Plaintiffs' review of the supplemental production, the Court may entertain a request for a focused 30(b)6 deposition on identification data. Google's supplemental production is due by 5/12/21; parties to meet and confer and submit any further dispute to the Court by 5/20/21; to be heard on 5/26/21 at
11		alleged class members."	1:30 p.m.
12 13 14	P7 4/7/21	Logged in and logged out: The parties have a dispute regarding what constitutes logged in and logged out behavior.	Not at issue.
15 16 17 18 19 20	P8 4/7/21	Plaintiffs' Consulting Experts: The parties may have a dispute regarding Plaintiffs' ability to show protective order materials to their retained experts.	RESOLVED.
21 22 23 24 25 26	P9 4/23/21	Google production of custodial documents responsive to particular requests: The parties have a dispute regarding whether Google will produce custodial documents responsive to certain document requests.	Parties are to meet and confer and provide status on May 6, 2021.
27 28	P10 4/23/21	Google timeline for producing custodial documents: The parties have a	Parties are to meet and confer and provide status on May 6, 2021, including a detailed production timeline committed to
